The personification of the word 'gospel,' Lee Genesis was born in Brooklyn, New York, the son of rigorous preacher parents who encouraged him to stand up and sing on soap boxes at the tender age of three. Lee would "set up shop on the box" and let the 'good word' be told via song on the local street corners and on Sunday mornings in one of Brooklyn's foremost Pentacostal Churches. Lambert's Chapel United Holy Church, was founded in 1959, by his parents. Now, after many years of working in clubs, Broadway shows, concerts and more, Lee has finally released his first CD!!!

Titles include "Reachout," "In My Darkest Hour," "Forgive and Forget" and six more smoking tracks.
