The electrifying Boston-based vocal jazz quartet Syncopation featuring soprano **Aubrey Logan** (who also doubles on trombone), alto **Christine Fawson** (who doubles on trumpet), tenor **David Thorne Scott** and bass **Tsunenori "Lee" Abe** (who also is the group's arranger/composer) has just released their new CD, **WONDERFUL YOU** – their first U.S. recording in six years.

Syncopation will also perform at a special CD release concert at Scullers Jazz Club at the DoubleTree Guest Suites Hotel, 400 Soldiers Field Road, Allston on Tuesday, September 30 at 8:00 p.m. Tickets at \$20.00 and \$15.00 for students can be purchased in advance on line at www.ticketweb.com or by calling the club's hotline: 617-562-4131. CDs will also be available for purchase at this concert.

On **WONDERFUL YOU**, Syncopation reinterprets pop songs chosen from the musical landscape of the past 30 years, including songs by Radiohead, Mr. Mister, the Stylistics, Earth Wind and Fire, Joni Mitchell, and piano phenom Hiromi, transforming R&B, soul, folk rock, fusion and electropop with their own jazz harmonies, rhythms and style.

Accompanying Syncopation on **Wonderful You** is Syncopation's high-energy touring band, **Mark Shilansky** on piano, **Steve Langone** on drums, **Greg Holt** on bass and **Marcus Santos** on percussion. This hot backup group will also appear at Scullers Jazz Club on September 30.

Wonderful You is available at Amazon.com, CDBaby.com and the group's website, www.JazzSyncopation.com.
